Certificate	CE/FCC

Product

## Description

Overall the concept of an automated gift vending machine is quite novel. If implemented properly with community sensitivities in mind, it could definitely make gift buying more convenient in a halal way. Some market research to gauge demand would strengthen the proposal. I'm open to discussing a potential partnership if you'd like support turning this idea into reality. Please let me know how I can help further.

### Lucky Box Machine

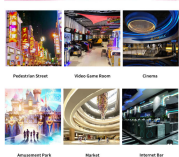

The reasons that we want this

Personalized stickers, a variety of options, beautiful and eye-catching

Lucky box machine application scenarios

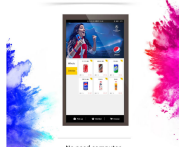

**Lazy management**  
 Upload goods with not too much effort
