Product Description

Compact Wall-mounted Vending Machine for Small Items

Our Product Introduction

to

WALL MOUNTED VENDING MACHINE

YOYO GAME-VENDING MACHINE

Cargo lanes can be customized, please contact us for details

This wall-mounted vending machine is a cost-effective, space-saving solution for retailing small products. Built with high-quality cold rolled steel and tempered glass, it ensures durability and clear visibility for your goods.

Key Features:

- Space-saving Design: W600*D190*H880mm size, ideal for wall mounting in limited spaces like offices, hospitals, or schools.
- Reliable Dispensing: Spring rotation drop mechanism ensures smooth product delivery, no jamming issues.
- Simple Operation: Coin-operated system with button control, easy for users to use without training.
- Customizable Options: Available in 5 lanes or 10 lanes models, with adjustable goods lanes to fit different product sizes.
