CUSTOMIZATION

PATTERN CUSTOMIZATION

The front design of the finished coin can be customized according to requirements, and each coin press machine can customize 4 template designs.

The back can be customized with a LOGO, limited to one uniform design. Text or a combination of text and images is allowed; it is recommended to use a simple design such as a LOGO, company name, scenic spot, or event name.

CUSTOM MACHINE APPEARANCE

Sticker Diagram

Customization Instructions

1. Sticker customization is available, 1-10 units are limited to appearance stickers and regular case color spraying
2. Placing a single order of 10 or more units allows for customizable appearance (longer production time, shipping time needs to be evaluated)

Precautions

If you need to design stickers, please provide the design source files.

If there is no original design, clear materials can be provided.
